### **DETAILED ACTION**

Examiner acknowledges receipt of amendment, request for extension of time and change of address and Power of Attorney, all filed 12/22/03.

#### ***Response to Amendment***

Applicants indicate in the remarks that claims 1-17, 19, 20, 22, 23 and 25-28 are cancelled. However claims 16 still remains in the application.

#### ***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 16, 18, 21 and 24 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 16, 18, 21 and 24 depend from cancelled claims. Applicants may please make the necessary corrections to expedite the prosecution of the application.

Claims 29-32 remain allowable because Tedeschi does not teach a method of coating medical device with polyethylenimine according to instant claim 29.
